<sup>2</sup> Notice of United States Postal Service of Filing a Functionally Equivalent Global Expedited Package Services 3 Negotiated Service Agreement and Application for Non-Public Treatment of Materials Filed Under Seal, Docket No. CP2016-223, June 20, 2016, Attachment 4.

**MODIFICATION ONE TO THE  
GLOBAL CUSTOMIZED MAIL AGREEMENT BETWEEN  
THE UNITED STATES POSTAL SERVICE AND  
[REDACTED]**

This Modification amends the Global Customized Mail Agreement ("Agreement") between [REDACTED] ("Mailer") with offices at [REDACTED] and the United States Postal Service ("USPS"), an independent establishment of the Executive Branch of the United States Government, with offices at 475 L'Enfant Plaza SW, Washington, DC 20260-9998, signed by the Mailer and by the USPS on June 1, 2016. The Mailer and the USPS may be referred to individually as a "Party" and together as the "Parties."

The purpose of this Modification is to make the following two changes to the Agreement.

First, Paragraph 2 of Article 9 Additional Obligations of the Mailer shall now read as follows:

(2) Tender To present the mailings to the USPS in accordance with Annex 1 to this Agreement and any supplementary documents referred to therein.

Second, Annex 1 of the Agreement is replaced by the revised Annex 1 attached to this Modification.

All other terms and conditions of the Agreement shall remain in force.

The USPS will notify the Mailer of the Effective Date of this Modification as soon as possible, but no later than thirty (30) days, after receiving the approval of the entities that have oversight responsibilities for the USPS.

The Parties acknowledge and understand that all obligations of the USPS under this Modification shall be contingent on the USPS receiving approvals ("Conditions Precedent") from one or more internal and external bodies that have oversight responsibilities. Conditions Precedent may include, but are not limited to: approvals or, if applicable, non-objection, from responsible USPS management officials, the USPS Board of Governors, the USPS Governors, the Postal Regulatory Commission, and/or any other governmental body with oversight responsibility for the USPS. The Parties acknowledge that this Modification might not be approved by such individuals or bodies. Until such time that all Conditions Precedent are fulfilled that are necessary to allow the USPS to provide the products or services contemplated under this Modification, no obligation shall exist for the USPS and no benefit shall inure to either Party. In the event that the Conditions Precedent are not fulfilled, the USPS shall have no liability, which shall include no obligation to pay costs associated with any action taken by the Mailer prior to the Effective Date of this Modification. Further, in the event of termination of the Agreement or the failure of any Condition Precedent, the USPS shall not be held liable for any damages including, without limitation, actual, special, indirect, incidental, punitive, consequential, or any other damages, which shall include but not be limited to damages for loss of business profits; business interruption; any other loss; and/or any costs incurred by either Party attributable to such non-approval such as attorney's fees.

The Mailer acknowledges that the Modification and supporting documentation will be filed with the Postal Regulatory Commission ("Commission") in a docketed proceeding (CP2016-223). The Mailer authorizes the USPS to determine the scope of information that must be made publicly available in any Commission docketed proceeding in which information related to this Modification must be filed. The Mailer further understands that any unredacted portion of the Modification or supporting information will be available on the Commission's public website, <http://www.prc.gov>. In addition, the USPS may be required to file information in connection with this Modification (including revenue, cost or volume data) in other Commission dockets, including the Commission docket number for the Annual Compliance Report (ACR) for the USPS fiscal year(s) in which the Agreement is in effect. Each ACR docket has a distinct docket number, such as ACR201#, in which ACR201# signifies the USPS fiscal year to which the ACR pertains. The Mailer has the right, in accordance with the Commission's rules, to address its confidentiality concerns directly with the Commission. The procedure for making an application to the Commission for non-public treatment of materials believed to be protected from disclosure is found at Title 39, Code of Federal Regulations, Section 3007.22 found on the Commission's website at <http://prc.gov/Docs/63/63467/Order225.pdf>.

The Parties may execute this Modification in one or more counterparts (including by facsimile or by electronic means such as .pdf format). Not all Parties need be signatories to the same document. All counterpart signed documents shall be deemed an original and one instrument.

In witness whereof, this Modification is deemed executed on the latter of the two dates accompanying the Parties' signatures.

Modification One Page 14 of 14

**Certification of Prices for the Global Expedited Package Services Contract with [REDACTED]**

I, Steven Phelps, Manager of Regulatory Reporting and Cost Analysis, Finance Department, United States Postal Service, am familiar with the prices for the Global Expedited Package Services Contract with [REDACTED]. The prices contained in this Contract were established by the Decision of the Governors of the United States Postal Service on the Establishment of Prices and Classifications for Global Expedited Package Services Contracts, issued May 6, 2008 (Governors' Decision No. 08-7), which established prices by means of price floor and ceiling formulas.

I hereby certify that the numerical cost values underlying the prices in the [REDACTED] contract are the appropriate costs to use in the formulas and represent the best available information. The prices, resulting in a cost coverage of in excess of the minimum required by the Governors' Decision, exclusive of pickup on demand and international ancillary services fees, are in compliance with 39 U.S.C § 3633 (a)(1), (2), and (3). The prices demonstrate that the Contract should cover its attributable costs and preclude the subsidization of competitive products by market dominant products. International competitive mail accounts for a relatively small percentage of the total contribution by all competitive products. Contribution from Global Expedited Package Services Contracts should be even smaller. The agreement with [REDACTED] should not impair the ability of competitive products on the whole to cover an appropriate share of institutional costs.
